CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE

About this Course:

This Course provides you with essential skills for working in regulated children's services. You'll focus on supporting children's well-being and development within an approved learning framework, learning to care for babies and toddlers, building positive relationships and creating engaging learning experiences. The course also covers fostering children's connection with nature, observing their growth, and understanding Aboriginal and Torres Strait Islander cultures. Additionally, you'll acquire key skills in responding to children at risk, administering first aid, and ensuring workplace health and safety, preparing you to excel in various early childhood settings, whether working independently or under guidance.

What You'll Learn

- Ensure children's health, safety, and wellbeing.
- Care for and support babies and toddlers.
- Build respectful, supportive child relationships.
- Apply educational frameworks in care.
- Foster physical, social, and cognitive development.
- Create engaging, educational activities.

Here's what our Early Childhood Education & Care students think

See why more than 20,000 students have chosen Charlton Brown

Zhang Jing
An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz
I'm very happy with the service and education Charlton Brown provided!
Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.
