## DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

### About this Course:

This qualification is tailored for aspiring early childhood educators who are ready to excel in regulated children's education and care services across Australia. It equips you with the expertise to design and implement engaging curricula, ensure compliance with regulatory standards, and create a safe, nurturing environment for children. You will develop skills to manage team dynamics, foster holistic development and creativity, and promote inclusive practices. Learn to embed environmental responsibility in operations, collaborate with families, and respond effectively to feedback. This course prepares you for roles in long day care centres, family day care, preschools, and kindergartens, where you can make a significant impact on early childhood learning and development.

### Career Outcomes

## Here's what our Diploma of Early Childhood Education & Care students think

See why more than 20,000 students have chosen Charlton Brown

Zhang Jing

An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz

I'm very happy with the service and education Charlton Brown provided! Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.

## BRISBANE CAMPUS (ANN STREET) & FACILITIES

### YOUR CAMPUS

The NIET Group's Ann Street Centre Campus, envisioned as a pinnacle of vocational training, stands as a premier institution in Brisbane, meticulously designed to meet the highest standards in child care, IT, aged care, and fashion training. This campus, located in the bustling heart of the city, boasts state-of-the-art facilities and resources, ensuring an immersive and cutting-edge learning experience for students.

In the child care and aged care sectors, the campus features realistic simulation environments, replicating real-world care settings to provide students with hands-on experience. The IT training facilities are equipped with the latest technology and software, fostering an environment of innovation and advanced learning. For fashion training, the campus offers modern design studios and workshops, equipped with industry-standard tools and materials, allowing students to explore and create with freedom and precision.

Central to NIET Group’s philosophy, the Ann Street Centre Campus prioritizes a student-centered approach, offering small class sizes for personalized attention, and access to experienced and industry-connected faculty. This approach ensures that graduates are not just academically proficient, but also industry-ready, armed with practical skills and a deep understanding of their respective fields. The campus is more than just a learning space; it’s a vibrant community where the leaders of tomorrow are nurtured and prepared for successful careers.
