#### DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

#### About this Course:

This qualification is tailored for aspiring early childhood educators who are ready to excel in regulated children's education and care services across Australia. It equips you with the expertise to design and implement engaging curricula, ensure compliance with regulatory standards, and create a safe, nurturing environment for children. You will develop skills to manage team dynamics, foster holistic development and creativity, and promote inclusive practices. Learn to embed environmental responsibility in operations, collaborate with families, and respond effectively to feedback. This course prepares you for roles in long day care centres, family day care, preschools, and kindergartens, where you can make a significant impact on early childhood learning and development.

#### What You'll Learn

- Lead and manage teams effectively in early childhood settings.
- Ensure child safety and health.
- Foster holistic development and creativity in children.
- Maintain regulatory compliance and promote positive interactions.
- Implement inclusive strategies and develop tailored curricula.
- Integrate environmental responsibility and collaborate with families.
- Enhance professional practice and manage diversity and grievances.

See why more than 20,000 students have chosen Charlton Brown

Zhang Jing
An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz
I'm very happy with the service and
education Charlton Brown provided!
Alvin's teaching was fun, creative and
entertaining. He likes to talk about
trending topics in the class. He's also
fast at answering any questions.
