General English

I'm so lucky, I had a great time with amazing teachers in General English-Ms.Jessica and Ms.Jayne. They're always supportive to us. I've learned a lot and I could improve my English skill with my class. I really appreciate their help.

Zhang Jing

An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz

I'm very happy with the service and education Charlton Brown provided! Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.
