THIS COURSE ARTICULATES OR PACKAGES WITH THE FOLLOWING UNIVERSITIES:

NATHANIEL

From our trainer Rudy to the fantastic online resources, super engaging lectures and the outstanding guest speakers – plus the 24/7 student support – there’s literally no better place to study. It’s incredible.

GRADUATE DIPLOMA OF MANAGEMENT (LEARNING) [UNITRACK]

About this Course:

This qualification is ideal for those ready to advance their skills in organisational learning and development. If you’re looking to lead and shape major learning initiatives within an organisation, this course will equip you with the advanced knowledge and abilities you need. You’ll learn to generate and evaluate complex ideas and take charge of designing and executing significant learning and development functions. The course prepares you for leadership roles where you will have full responsibility for both your performance and the success of your team. It is designed for those aiming to enhance organisational capability through strategic learning and development, potentially leading to positions as managers or directors in registered training organisations.

Here's what our students think.

Zhang Jing
An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz
I'm very happy with the service and education Charlton Brown provided! Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.

NIET Group Brisbane – Classroom 1 (Unitrack)

Step into Classroom 1, the heart of our Unitrack program, where ambition meets inspiration and learning becomes an experience.

This contemporary space features comfortable seating, a large smart TV for interactive presentations, and a whiteboard that brings ideas to life — creating an engaging environment that encourages collaboration, creativity, and critical thinking.

Bright, spacious, and welcoming, Classroom 1 is where students from around the world come together to share perspectives, challenge ideas, and grow into future global leaders.

It's more than a classroom — it's where potential turns into purpose.
