## KENDRA SASHIDHARAN

Diploma of Information Technology

I had a great lecturer and he was very accommodating during my few months so far at Charlton Brown. Classes are conducted through a great combination of in-person and online via Microsoft Teams which is very beneficial while I juggle work and studies – plus I really love their IT labs; they have really great equipment!

## DIPLOMA OF INFORMATION TECHNOLOGY [UNITRACK]

### About this Course:

Use technology to make great things happen with a Diploma of Information Technology. This course teaches students to use information technology for general work and multiple specialised fields of their choosing. Students will choose their electives from 7 specialisations; Networking, Programming, IT Support, Web Design and Development, Digital Games, Digital Media Technologies, and Project Management. Electives in these specialisation teach students general skills and common industry workflows. The course structure ensures graduates are capable of working across multiple specialisations.

### What You'll Learn

- Learn common industry workflows
- Networking
- Programming

### Career Outcomes

IT ADMINISTRATOR

DEVELOPER

NETWORK ENGINEER

INFRASTRUCTURE DESIGNER

IT MANAGER

## Our Graduates work with Leading Brands.

## Student Testimonials

See why more than 30,000 students have chosen CB

Zhang Jing

An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz

I'm very happy with the service and education Charlton Brown provided! Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.

## TUITION FEES (DOMESTIC / PERMANENT RESIDENT)

Course Name	Course Duration	Domestic / Permanent Resident	Campus Availability	Intakes
Diploma of Information Technology [UniTrack]	52 weeks	\$7,000	BNE	Trimester

## ENTRY REQUIREMENTS

AGE	GRADE	IELTS
17	11	5.5

## ■ AGE

Minimum age of 17 years or turning 17 years old prior to commencement of the course

## ■ EDUCATION &amp; EXPERIENCE REQUIREMENTS

Year 11 Australian Senior High School Certificate, or equivalent (e.g. completion of Year 12 or High School in the students home country) with full academic results.

## ■ ENGLISH LANGUAGE

Upper-Intermediate English (equivalent to 5.5 academic or general IELTS) or successful completion of college LLN Test

## ■ REQUIRED IDENTIFICATION

Photo ID and evidence of citizenship (international students must provide copy of passport)

## ■ COMPUTER SKILLS &amp; EQUIPMENT

Students on this course require computer access for learning purposes and to complete course assessments. As such, learners must have beginner/intermediate computing skills including use of Microsoft Office programmes, in addition to hardware requirements of a desktop or portable computer with keyboard, pointing device, speaker, web camera and microphone, and a broadband internet connection.

## ■ ADDITIONAL REQUIREMENTS

Specific Updates to English Language Requirements for Student Visas  
General Student Visa: The minimum IELTS score has increased from 5.5 to 6 (or equivalent).  
Packaged ELICOS: The minimum IELTS score to undertake a packaged English Language Intensive Courses for Overseas Students (ELICOS) program has increased from 4.5 to 5.0.

#### FURTHER INFORMATION

Students who are unable to meet the academic or English language criteria may in some cases be eligible to undertake our Language, Literacy & Numeracy (LLN) test. Criteria may change at any time without notice. Additional English language requirements may apply to international applicants from non-English speaking backgrounds wishing to articulate on a visa package into a university programme. Students must be able to (and are required to) enrol, participate, demonstrate progression-of, and complete this course.
