# DIPLOMA OF INFORMATION TECHNOLOGY [UNITRACK]

## About this Course:

The Diploma of Information Technology (IT) is designed for individuals seeking to excel in a variety of ICT roles with a focus on technical expertise. This qualification provides you with the specialised skills needed to handle moderately complex tasks in a specialist ICT field. Throughout the course, you will develop the ability to work independently, collaborate as part of a team, or take on a leadership role, managing deliverables and working with others. You will acquire skills applicable across diverse industries and business functions, or even as a business owner. This qualification offers a solid foundation for advancing your ICT career or starting your own ICT business.

## What You'll Learn

- Implement and monitor workplace health and safety policies and programs

## Career Outcomes

IT MANAGER

GENERAL APPLICATION SUPPORT OFFICER

NETWORK SPECIALIST

SOFTWARE DEVELOPER

Our Graduates work with Leading Brands.

## Student Testimonials

See why more than 30,000 students have chosen CB

Zhang Jing

An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

Rob Manz

I'm very happy with the service and education Charlton Brown provided! Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.

NIET Group Brisbane – Classroom 10 (Diploma of Information Technology)

Step into Classroom 10, where innovation thrives and the future of technology begins.

As the home of our Diploma of Information Technology, this modern, tech-inspired space is designed to ignite curiosity and empower creativity. Featuring comfortable seating, a large smart TV, and a whiteboard for collaboration and idea-sharing, it's a hub for hands-on learning and digital exploration.

Here, students don't just learn about technology — they create with it. Every class inspires new ways to solve problems, build connections, and shape tomorrow's digital world.

Classroom 10 is where thinkers become creators, and dreams turn into innovation.
