DIPLOMA OF REMEDIAL MASSAGE

About this Course:

This qualification is designed for those aspiring to excel as remedial massage therapists, focusing on addressing soft tissue dysfunction, musculoskeletal imbalances and range of motion restrictions. It offers a comprehensive programme that covers advanced massage techniques, client assessment and clinical practice. With a blend of theoretical knowledge and practical experience, including extensive hands-on training, you'll acquire the skills needed to excel in client management and professional practice. This qualification prepares you for a successful career, whether you're self-employed or working within a larger health service, by equipping you with the skills needed to make a significant impact on your clients' well-being. This Remedial Massage course offered at Charlton Brown meets the educational criteria required by Medibank Private, allowing graduates to apply for a provider number and offer clients rebates on remedial massage services. Our nationally recognised qualification is endorsed by leading professional massage associations. Membership with these associations is essential for obtaining a Medibank Provider Number. With our program, students gain the skills and qualifications to advance their careers and meet industry standards.

What You'll Learn

- Advanced musculoskeletal assessment techniques
- Deep tissue and myofascial release skills
- Trigger point therapy and pain management
- Anatomy and physiology for massage practice
- Client treatment planning and documentation
- Professional ethics and industry standards

MASSAGE THERAPIST

**Zhang Jing**

An effective teacher is one who directs, facilitates and manages the students' learning process. Da Teng is one of them. I like his flexible teaching style, positive belief in the ability to solve translating problems, willingness and motivation to listen and caring for students.

**Rob Manz**

I'm very happy with the service and education Charlton Brown provided! Alvin's teaching was fun, creative and entertaining. He likes to talk about trending topics in the class. He's also fast at answering any questions.
